4.		Previous Actions	Katie Taylor provided an update on the previous action items from the Joint RCCC Q2 meeting	Katie Taylor
	OPEN	ACTION	QGC to check with WDRC and committee members before locking in World Science Festival dates. <i>Ongoing – dates for the 2019 World Science are due to be reviewed Q3 2018.</i>	Katie Taylor/Cheryl Henningsen
	OPEN	ACTION	QGC to provide non-technical Ground Water summary at Q2 RCCC. <i>To be included in the Q4 Joint Committee Meeting.</i>	Patrick McKelvey
	CLOSED	ACTION	RPAS Tour – Katie to send out dates for tour <i>RPAS tour proposal to be voted upon at the end of the meeting. To be included in agenda at Q4 RCCC meeting.</i>	Katie Taylor/Cheryl Henningsen
	CLOSED	ACTION	Katie to investigate whether QGC can post bulletin/email blasts on Community Facebook forums. <i>QGC can and currently does post the bulletin on the QGC Facebook page but will begin to post the email blasts on there. For Community Facebook forums we are unable to post to those currently due to negativity of comments arising in the past, groups have rejected anything relation to CSG.</i>	Katie Taylor
	CLOSED	ACTION	Ashlea to work with Murilla Community Centre to start advertising QGC updates on a monthly basis in the community newsletter and provide the update for other Northern newsletters as well. <i>QGC started advertising in the Murilla Community Newsletter from April 2018 and will continue to December 2018. WOW Newsletter advertising commenced in September and will continue to December 2018.</i>	Cheryl Henningsen
	OPEN	ACTION	Carlie to provide a list of potential procurement opportunities currently not available in the Western Downs Region to Jodie Taylor. <i>The list has been provided to council and Chamber of commerce members who attended our local content briefing in April 2018. List has also been emailed to Jodie Taylor since last RCCC. We can distribute a copy of the Local Content briefing to RCCC members if interested.</i> <i>Jodie Taylor advised that information received was spend only and not upcoming opportunities.</i>	Cheryl Henningsen
	CLOSED	ACTION	Carlie to provide QGC GPA target for percentage of local living employees at the Q2 RCCC Meeting	Carlie Watson

			<p><i>We do not have a public target for our local recruitment but are working to increase the percentage of people living locally over time.</i></p> <p><i>We have heard you wanted more opportunities for people to live locally.</i></p> <p><i>One way we do this is through our Apprenticeship and traineeship intake.</i></p> <p><i>We also have a local living allowance as an incentive for employees who live locally.</i></p> <p><i>We produce a quarterly circular to encourage local applicants to jobs in our supply chain and have a local advertising campaign for our direct jobs.</i></p> <p><i>As you'll hear in our Social Investment section, we are looking at implementing new ways to encourage people to live locally and welcome them to live in our communities, such as through welcome packs with WDRC.</i></p>	
	CLOSED	ACTION	<p>Katie to confirm when QGC Community Fund application forms will be uploaded onto Shell website and once uploaded, email to RCCC members.</p> <p><i>Email sent to RCCC members Aug 18</i></p>	Katie Taylor

	CLOSED	ACTION	<p>Kelli How to investigate whether Giligulgul Road is an approved QGC road.</p> <p><i>Giligulgul Road is unsealed and is 26.5km long.</i></p> <p><i>The 17.9km section of Giligulgul Road heading west from the Leichardt Highway has a load restriction of 5 tonne in place.</i></p> <p><i>This load restriction requires vehicles greater than 5 tonne in mass to obtain a permit from Western Downs Regional Council prior to using the road.</i></p> <p><i>The section of road is not approved for light vehicle use without sperate notification i.e. light vehicles must be heading to work site that can only be accessed via the section of Giligulgul Road.</i></p> <p><i>This approach allows access to existing QGC assets adjacent to the road but does not allow access between the Leichardt and Jackson Wandoan Roads (short cut to Woleebee Creek)</i></p> <p><i>The 6.4km section of Giligulgul Road heading east from the Jackson Wandoan Road joins to Fosters and Hansens roads.</i></p> <p><i>These road sections are approved for pipeline access.</i></p> <p><i>There are no operational wells which are accessed from Giligulgul Road.</i></p>	Kelli How

	CLOSED	ACTION	<p>Cheryl to discuss potential health representation options for the North with Cecilia Donohoe.</p> <p><i>Meeting held with Cecilia and new Wandoan nurse, Deepa. Phone conversation held with Marie Steinberg (DON Miles). Both Marie & Deepa to be included as RCCC representatives.</i></p>	Cheryl Henningsen
	CLOSED	ACTION	<p>QGC to arrange private, more targeted information session for residents of the Golden Downs Estate. Potential to coincide this session with upcoming Wieambilla Drop in Session at the end of July.</p> <p><i>Targeted engagement has taken place with residents on the 3rd and 4th September. We look to expand on these as we plan the drop-in sessions for the end of the year.</i></p>	Katie Taylor
	CLOSED	ACTION	<p>Kelli to investigate and Land and Social Performance teams to look at other avenues for notification of flaring activities etc.</p> <p><i>QGC are notifying stakeholders within a 10km radius with our Stakeholder Engagement Plans, along with this Email blasts are sent out to the broader community and stakeholders. Notifications are being provided, we need your support to get people signed up to the email blast system.</i></p>	Kelli How
	CLOSED	ACTION	<p>Katie/Cheryl to arrange Business Navigator attendance for Q2 RCCC meetings</p> <p><i>Arranged for Dec RCCC, update on program and Pitch Challenge results</i></p>	Katie Taylor/ Cheryl Henningsen
5.		Community Feedback	<p>Concerns were raised about driver behaviour around the 1,700 head of cattle being driven along the Jackson-Wandoan Road. Stock have right of way over any vehicle. Driver's need to adhere to stock signage on roads and SLOW DOWN at sign, not when on top of stock.</p>	RCCC Members

			<p>QGC reinforced that driver behaviour is at the forefront of QGC safety and that this topic is regularly tool boxed. Agreed that information on how to drive around stock needs to be included. Stock movement was raised at toolboxes in July. QGC will continue to communicate the message.</p> <p>Jodie WDRC advised that there are currently 10,000 head of cattle on the roads within the Western Downs Regional Council area. Jodie is to confirm maximum number of stock allowed per permit? Jodie also advised that WDRC are planning Facebook posts of stock route information.</p> <p>Driver behaviour of trucks – non QGC related – was raised. Side tipper truck’s not driving to conditions. Traffic is creating major dust nuisance.</p> <p>Darren Cook put forward a possibility for small business opportunities for Woleebee Creek Camp. Are there people within the community that would be interested in offering evening services such as: Hairdresser, Massage etc?</p> <p>Local Business Update:</p> <ul style="list-style-type: none"> • WCCI new member - Tegan Flavel • New Tourism signage has been erected • Sennex has opened a shopfront in main street • Newsagency has closed • New lease by 2 young locals of the Post Office. They are also looking at taking on some of the newsagency function such as sale of stationery. • Prime Rentals have moved on. 	
6.		Business Update	<p>Project Goog-a-binge:</p> <ul style="list-style-type: none"> • QGC is currently planning its development for 2019 and beyond to ensure sustained gas supply to domestic and LNG customers. • QGC submitted an application to the Federal Government on 10 August seeking environmental approval for new wells in our northern area. • This application seeks approval for all wells contemplated in this area from 2019 and beyond. • The application will be publicly available on the DOEE website and subject to the Department’s open and transparent approval process. • All proposed wells will connect to existing gas processing plants meaning no new major infrastructure will be required. • By providing our full northern development scope, we can give the government and community certainty on the maximum development planned for the area. • The majority of this development would be taking place within Iman traditional country. 	Kelli How

			<ul style="list-style-type: none"> • If approval is successful, the project will be called 'Goog-a-binge', meaning Scrub Turkey in Iman language. In recognition of this, the Iman elders have provided the name 'Goog-a-binge' <p>Project Charlie Update:</p> <ul style="list-style-type: none"> • Charlie Field Compressor Station construction completed February 2018 with 12 compressors operational and flowing gas from the 337 wells. • The personnel camp was demobilised, land has been rehabilitated, and there are minor commission works ongoing. <p>Project Ruby Update:</p> <ul style="list-style-type: none"> • Project Ruby is progressing successfully and safely to schedule. • At the end of August 2018, 131 of the 161 wells had been drilled. • Project milestone achieved putting the first well on production in May 2018. <p>Project Murrungama:</p> <ul style="list-style-type: none"> • Shell continues to investigate the option of a new solar energy project on QGCs existing land in the Wandoan area, as part of a plan to deliver renewable energy sources. • Still assessing viability, no final investment decision has been made however we hope to have a FID in last half of this year. • If the project is approved it will be called 'Murrungama', the name of the original tribe whose land stretched from Charley's Creek in Chinchilla to Woleebee Creek. • We support Traditional Owners promoting their language and culture for the benefit of current and future generations. The Barrunggam people have provided the name 'Murrungama'. <p>Wellsite Inspections:</p> <ul style="list-style-type: none"> • A team of 50 dedicated QGC operators are continuing their ongoing program to inspect each of QGC's more than 2,500 wells once every fortnight. • They take care to strictly adhere to land access and weed management rules for individual properties. <p>Pipeline Inspections:</p> <ul style="list-style-type: none"> • Working in small teams, QGC operators have continued to inspect the 543km Wallumbilla Gladstone Pipeline easement to monitor the infrastructure and progress of vegetation rehabilitation. 	<p>Simon Nish</p>
--	--	--	---	-------------------

			<ul style="list-style-type: none"> • Activities include: <ul style="list-style-type: none"> ○ Aerial inspections from west of Dalby (Ruby Jo site) to west of Wandoan (Woleebee Creek site) and between Chinchilla and Gladstone. ○ Daily, on-ground easement inspections from west of Dalby (Ruby Jo site) to Gladstone. <p>Water Treatment Update:</p> <ul style="list-style-type: none"> • The Northern Water Treatment Plant, at Woleebee Creek south-west of Wandoan, and the Kenya Water Treatment Plant, south-west of Chinchilla, continue to process water produced in the surrounding gas fields. • The two plants enabled 97% of produced water in the gas fields to be made available for beneficial use. • The average daily production of each plant and the total volume of water processed in 2018 is summarised in the table below: <table border="1" data-bbox="699 891 1246 1043"> <thead> <tr> <th>Water Treatment Plant</th> <th>Average daily production June 2018</th> <th>2018 year to date production June 2018</th> </tr> </thead> <tbody> <tr> <td>Kenya</td> <td>22.5 ML/d</td> <td>4,070 ML</td> </tr> <tr> <td>Northern</td> <td>24.2 ML/d</td> <td>4,375 ML</td> </tr> </tbody> </table> <p>Local Road Upgrades:</p> <ul style="list-style-type: none"> • QGC continues its maintenance program with Western Downs Regional Council, for local roads across our Operations. • RYALS ROAD: With QGC funding, Western Downs Regional Council will commence the upgrading of the Horse Creek Crossing on Ryals Road in August 2019. • PERRETS ROAD: Pavement repairs have been completed on Perretts Road. • CHAPMANS ROAD: Light grading of Chapmans road will be conducted to improve rideability. • WIEAMBILLA ROAD: QGC will fund repairs to both the sealed and unsealed sections of Wieambilla Road. The Western end of the road (approximately 3km) will be shaped and treated to reduce dust. • FREEMANS ROAD: QGC has treated approximately 8km of Freemans road to reduce dust emissions. • SHULTZS ROAD: Pavement repairs will be completed in the approach to the existing grid on Shultzs Road. 7.		Local Content Update	Kelli How provided an update on local content as per the appended slides: Local Procurement QGC:	Kelli How									

			<ul style="list-style-type: none"> • \$12.3 Million spent directly by QGC in the WD, \$59 million in Surat Basin for Q2. • Of note is from the beginning of 2018 to June 30, we have spent \$25 million with businesses in the Western Downs. <p>Local Procurement Contractors:</p> <ul style="list-style-type: none"> • \$9.6 Million spent by major contractors in the WD, Approx \$24 Million in Surat Basin for Q2. <p>Local Living:</p> <ul style="list-style-type: none"> • 37.5% upstream (up from 36% last quarter), with our 13 apprentices and trainees who are employed by MIGAS it is 40% workers living upstream. These results are at 30 June 2018. • Local living a focus for QGC moving forward • Jobs are still being advertised locally and offering local living allowance as an incentive <p>Chinchilla Accommodation:</p> <ul style="list-style-type: none"> • There has been a substantial increase in QGC usage of Chinchilla Motel Accommodation. • All staff staying less than 5 nights are required to engage the services of the local Chinchilla motels. 	
8.		QGC Pathways	<p>The 2019 QGC Pathways Program will be offering 12 positions within the following roles:</p> <ul style="list-style-type: none"> ○ Electrical Instrumentation and Control (Dual Trade) Apprenticeship (5-year duration) ○ Mechanical Fitting Apprenticeship (4-year duration) ○ Process Plant Operations Traineeship (2-year duration) ○ Wellsite Operations Traineeship (2-year duration) ○ Warehousing Traineeship (2-year duration) • Information sessions were held in: <ul style="list-style-type: none"> ○ Dalby – 15 August, 2018 ○ Chinchilla – 15 August, 2018 ○ Tara - 16 August, 2018 ○ Miles – 16 August, 2018 • Applications close on 7 September, 2019 	Kelli How
9.		Caring for Local Wildlife	<ul style="list-style-type: none"> • QGC has assisted the Chinchilla Vet Services to establish a professional wildlife care and rescue service locally. • The facility offers emergency triage and recovery services. • Our strategy to build skills in-house with a local vet, has increased the Chinchilla community's capacity for treating wildlife and opened up new networks and opportunities with other specialised wildlife sanctuaries and carers in and around the region. • By utilising a local provider, QGC has seen a reduction in kilometres driven by staff to support wildlife on the region's roads, reducing driver exposure and helping teams reach their safety goals. 	Kelli How

10.		Social Investment	<p>Simon Nish provided an update on Social Investment as per the appended slides:</p> <ul style="list-style-type: none"> • Communities Fund 2018 <ul style="list-style-type: none"> ○ We heard the Communities Fund was valued and provided great support for community groups in the WD. ○ Info sessions were held in July, round closes 31st August, Grant assessment panels 19th September. ○ Successful and unsuccessful applicants will be notified before the end of the year, with successful projects starting in 2019.
