

Legal notice

The following presentation contains forward-looking statements concerning BG Group plc's strategy, operations, financial performance or condition, outlook, growth opportunities or circumstances in the countries, sectors or markets in which BG Group plc operates. By their nature, forward-looking statements involve uncertainty because they depend on future circumstances, and relate to events, not all of which can be controlled or predicted. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. Actual results could differ materially from the guidance given in this presentation for a number of reasons. For a detailed analysis of the factors that may affect our business, financial performance or results of operations, we urge you to look at the "Principal risks and uncertainties" included in the BG Group plc Annual Report & Accounts 2014. Nothing in this presentation should be construed as a profit forecast and no part of this presentation constitutes, or shall be taken to constitute, an invitation or inducement to invest in BG Group plc or any other entity, and must not be relied upon in any way in connection with any investment decision. BG Group plc undertakes no obligation to update any forward-looking statements.

No representation or warranty, express or implied, is or will be made in relation to the accuracy or completeness of the information in this presentation and no responsibility or liability is or will be accepted by BG Group plc or any of its respective subsidiaries, affiliates and associated companies (or by any of their respective officers, employees or agents) in relation to it.

Safety Moment – Litter

- QGC engaged Veolia for roadside clean up
- Covered 100km of Western Downs roads most used for our project
- Collected:
 - 924 bags
 - 118 tyres
 - Over 2.6 tonnes of rubbish
- Also supported Clean Up Australia Day (6 March) at various locations
- **It's everyone's responsibility** to ensure that we keep our area of operations clean
- **Secure your load** – before you drive to make sure no materials fly out
- **Clean up your site** – before leaving a site ensure it's left tidy and litter free even if the rubbish isn't yours
- **Don't throw rubbish out the window** – dispose of your rubbish where its suitable

3

Welcome

Outline of today's meeting

1. Introductions
2. Adoption of minutes
3. QGC update
4. Key topic updates
5. Lunch
6. Community benefits report
7. Committee feedback

QGC Update

- BG Group is now a part of Royal Dutch Shell
- For QGC it is business as usual while Shell integration planning progresses
- The safety of our staff and communities remains our priority
- Moving towards plateau production mid 2016
- Low oil price environment demands focus on:
 - Optimising our performance across the integrated gas chain
 - Achieving high rates of efficiency and productivity
- Delivering Charlie development

Operations Update

- Continuing to ramp up production
- Operating under routine conditions including for maintenance schedules
- From time to time this may involve localised flaring
- Q2 2016 will commence the next phase of trials for Remotely Piloted Aircraft Systems (RPAS)

RPAS Trial

- 12 week trial, 2 days per week, daytime only
- Conduct routine monitoring of QGC infrastructure on group of landholder properties in northern region
- Strict guidelines around image capture to protect privacy
- Improves operational efficiency to monitor 2,600+ wells over large areas
- Partnership with Boeing (Insitu) to develop technology which is expected to benefit other industries in Queensland

Potential benefits:

- Reduces land access requests
- Reduces risk of land access breaches
- Reduces time for landholders to liaise
- Reduces road traffic and improve safety
- Value adds the work profile for wellsite operators
- Improves wellsite performance

Charlie Project Update

- Project site offices established
- Charlie FCS:
 - Civil works underway
 - Access road civil works underway
 - Services pads under development
 - Bundi Road upgrade under construction
- Construction water bore operational
- Borrow pit for gravel opened
- Wells being drilled
- 830 people mobilised and increasing weekly
- Workforce based in:
 - Windmill Accommodation Park
 - Wandoan Accommodation Park
 - Woleebee Creek camp

Key contractors:

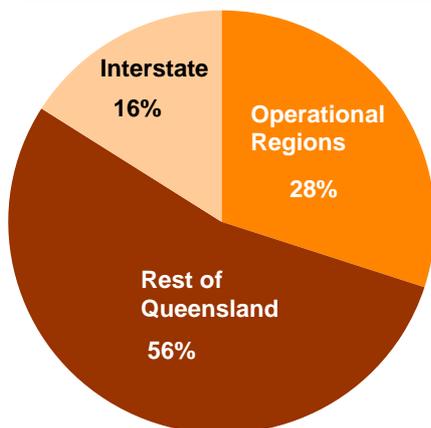

CPB	Main works
MPC	Gathering network
EDE	Well head infrastructure
Saxon	Drilling
Easternwell	Drilling
FKG	Road works

Charlie Project - Local content

Charlie expenditure by supplier location

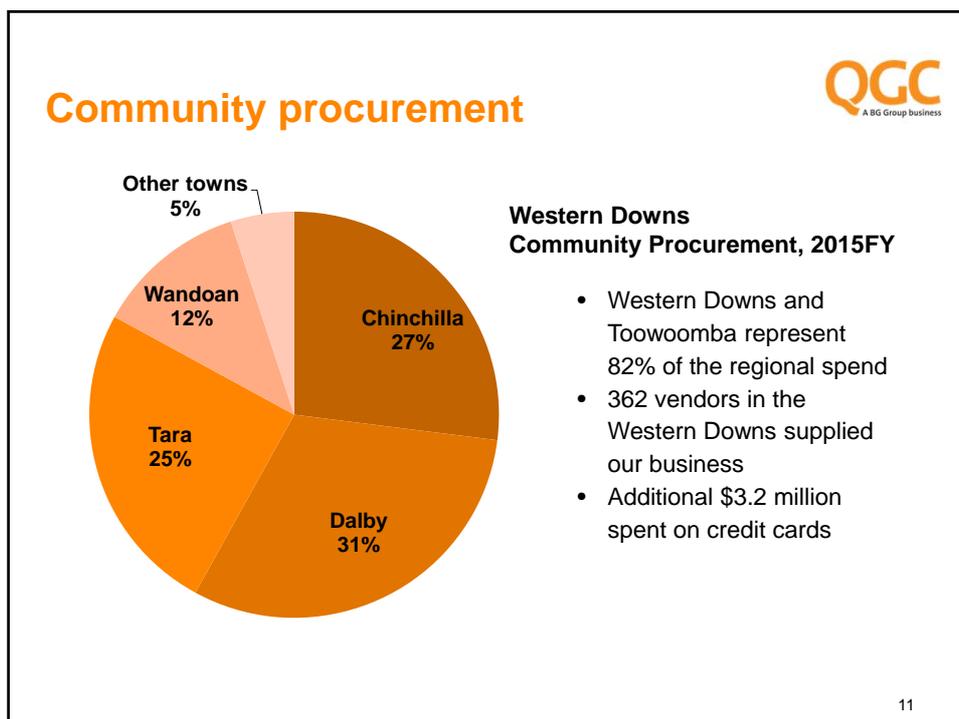

New contracts	No.
Operational regions	15
Rest of Queensland	27
Interstate	8

9

Items arising from last meeting

Expanded Local Content Policy

- Extensive consultation with business and industry and internally in 2015
- Key changes in approach:
 - Clarifies definitions for 'local' and 'participation'
 - Establishes new full, fair and reasonable contract strategy
 - Increased transparency in reporting
- **Local Content Policy objectives:**
 - **Support competitive procurement:** Actively encouraging local participation in supply chain
 - **Facilitate job creation:** Employees and contractors
 - **Promote reconciliation:** Employment, Training and Business Development
 - **Build economic sustainability:** Develop regional communities

12

Simplified processes

16

Rural Property Management

- The transition of QGC land to Stanbroke is almost complete
- QGC has honoured all its agreements with agisters and sharefarmers
- With Stanbroke's co-operation, QGC has been able to provide multiple extensions of time to assist agisters during transition
- One issue of dust from trucks transporting livestock raised by community during transition was addressed at the time
- Stanbroke has started to engage with neighbours, QGC's previous agisters and community members
- Stanbroke has reported a warm welcome and good support from the community so far

17

Stanbroke in the community

In the past three months:

1. Local purchasing

- 3 new vehicles and 4 motorbikes
- Furnishings for 2 houses
- Property maintenance equipment and hardware tools e.g. pumps, chainsaws
- Cattle husbandry requirements
- Provisions for staff
- Fencing materials and portable stockyard

2. Local employment

- 2 key positions associated with managing properties advertised locally
- Engaged 2 local mustering contractors who have up to 4 people working in each team
- Engaged 2 local contract farming businesses

3. Other community support

- Sponsorship for the gate fee at upcoming rodeo in Wandoan
- Sponsorship of the Taroom Show
- Assessing sponsorship options for local shows in Wandoan and Chinchilla

18
